The Complete EMS Solution for Smart Businesses

Traumasoft is an all-in-one system capable of managing every aspect of your EMS operation.

One system comprised of interconnected solutions handles staff, integrates processes, manages assets, and grows revenue.

People Operations

Our dynamic paid time-off manager is completely customizable. Set up an unlimited number of vacation, sick, and holiday pay policies.

- INCIDENT REPORTING
- AUTOMATED EMPLOYEE HIRING
- UNLIMITED & AUTOMATED FORMS
- ANONYMOUS REPORTING
- EMPLOYEE FILE CABINET

Virtual Classroom

Instantly recognize staff education requirements, automate your training, and make your internal accreditation programs run smoothly.

- AUTO-ADMINISTERED COURSES
- UNLIMITED CUSTOMIZED TESTS
- WEIGHTED QUESTIONS
- REOCCURRING TESTS
- QUESTIONS POOLS

Crew Scheduling

Automate HR shift functions like paid time-off and vacation, sick, and holiday pay. Simply create workflow and use/re-use custom templates.

- FLEXIBLE AND CONFIGURABLE
- OT MANAGEMENT WIZARD
- DYNAMIC PAID TIME-OFF MANAGER
- UNLIMITED CUSTOM TEMPLATES
- TRADE AND SWAP SHIFTS

Fleet Maintenance

Manage and match fleet information with shift information. Full integration with scheduling and dispatch functions provides clarity and a holistic approach to service provision.

- PREVENTATIVE MAINTENANCE
- PARTS MANAGEMENT
- ACCIDENT TRACKING AND REPORTING
- OUT-OF-SERVICE

“...the greatest benefit of using Traumasoft is having everything in one system for integrity. That was a huge plus”

Scott Yates, President & CEO, First Call Ambulance
